

Thursday 28th April 2022

Dear Parents,

Over the past two weeks, we have been focusing on determination. This has been explained as how we show the school value of **PERSEVERANCE** when learning is particularly difficult. Part of that determination is facing the challenge of how we remember what we have already learnt, whether that be key facts, advice we have been given or targets that we have been set.

We also discussed the importance of remembering everything that we have learnt about online safety and keeping ourselves safe when using phones, tablets and computers. Whilst this is always a focus of our Computing curriculum, we re-emphasised that in and out of school we must treat others with respect when using technology, just as we would if we were speaking in person.

At school, we promote that technology is a useful tool to support learning, but not the only way to learn. We are very aware that children increasingly interact socially online and it is important that they are constantly reminded to think about how they use media. If you would like any support with this, please speak to your child's class teacher.

This is also a useful link that can support your conversations:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/talking-child-online-safety/>

"Online life and offline life is just life. For many of us, we see our online lives and offline lives as different, but children are growing up with technology and the internet, and for them there isn't a difference; online life and offline life is just life."

Please remember that school is closed on Monday 2nd May for Bank Holiday and Thursday 5th May for an INSET day.

I wish you a very happy long weekend and Eid Mubarak to all those celebrating.

Kind regards,
Mr Westerby

PROMPT ARRIVAL

A punctual, settled start to the morning makes a significant difference to the quality of children's learning and the safety of all those around. Please ensure pupils arrive on time for class.

KEEPING OUR CHILDREN SAFE

We remind all parents that the zig-zag lines outside our school buildings must not be parked on by parents for drop off or collection of children. We have had incidents outside both campuses and we ask all parents to help keep our children safe as they walk to and from our school. To this end, the Greenwich Road Safety Team have organised for police officers to patrol outside each campus.

CARS IDLING OUTSIDE SCHOOL

We remind parents not to idle their vehicles outside the school, particularly in the evenings, when waiting for children to come out from after-school clubs or One World. The fumes contain a number of harmful gasses including carbon dioxide, which is bad for the environment and contributes towards climate change, as well as nitrogen dioxide, carbon monoxide and hydrocarbons, which are linked to asthma and other lung diseases.

Local authorities have the power to issue £20 fixed penalties for emission offences and stationary idling under The Road Traffic (Vehicle Emissions) (Fixed Penalty) (England) Regulations 2002.

GDPR SIGN-UP

The school office regularly hears from parents who are not subscribed to the Weekly Wolfe mailing list and so are not up-to-date with school information. Due to GDPR regulations, any parent who has not given specific permission for us to use their email address to circulate school notices (including the Weekly Wolfe) will not receive them. If you are reading this on our website or are aware of anyone who is missing out, please use/forward them our sign-up form at <http://eepurl.com/duVNNr>.
