Dear Parents,

In the universe are billions of galaxies,  
in our galaxy are billions of planets,  
but there is  
**ONLY ONE EARTH**

<https://www.worldenvironmentday.global/>

Welcome back to our final half of term for the school year! This will be busy, and fun, with a full calendar of events and activities across both campuses. We start with our younger children in Years 1 and 2, who will be completing phonics screenings in the days ahead, alongside times tables checks in Year 4. I know that our staff and pupils have been working hard to prepare for these and I'm sure that the children will give their best. Having seen some fabulous class assemblies at our Royal Hill Campus before the break, we look forward to our Randall Place students sharing their learning with you at their class assemblies in the weeks ahead -- please do continue to check the dates lists here and on the website, so that you don't miss out.

With the weather showing hints of warmth and sunshine, now is a good time to be thinking about our impact on the world around us. Did you know that Sunday 5th June was World Environment Day? This year's events were hosted by Sweden and focused under the #onlyoneearth banner, with individuals able to record their Earth Action Number to show the ways they are making changes that have a positive impact on the planet. This is an internationally recognised day, in partnership with the UN Environment Programme, and is a good opportunity to look at the small adjustments we can make. As you will know, we often talk to our pupils about the environment and work on topics that have us think about issues such as sustainability. I'm sure that your child would be very happy to talk to you about their ideas for changes that could impact our One Earth and form their own Earth Action Number. For example, how many water bottles are saved by using a refillable bottle every day or how many single use bags are saved from landfill by using a bag we already own when shopping?

And finally, as Summer arrives, please do remember that wearing sunscreen and a hat are important actions the children should be taking every day, as well as having a (refillable!) bottle of water with them in school.

I look forward to seeing you at the events during this half of term, when we will continue to be PROUD of all that the children of James Wolfe achieve.

Kind regards,  
Mrs Simpson

## WEEKLY WOLFE *sports*

### ELIAS-Dō

The school offers huge congratulations to Elias Owolabi (Year 5 Mars), who was selected to represent England Shotokan Karate-Do Federation at the World Union of Karate-Do Federations European Tour in Dundee on Saturday 21st May 2022. The competition was made up of adults and children from all over the world, including Ireland, Scotland, Wales, England, Romania, Slovakia and India.

Elias trained tirelessly for the competition, showing consistent dedication and hard work, and did fantastically well. He competed in two disciplines -- Kata (a sequence of defensive and/or attacking moves) and Kumite (hand and leg combat).

In the Kata, Elias competed in Category 10-11 Years, achieving the highest scores in two rounds and going on to win the gold medal and a trophy. He also competed in Category 13-14 Years, with just one round, winning the silver medal.

In Kumite, he competed in Category 10-11 Years, progressing through all four rounds and reaching the final, where he won the gold medal and a trophy

We are all extremely proud of Elias' achievement. WELL DONE ELIAS!

### UNIFORM

We also remind parents that our school uniform is grey shorts, trousers or skirts with a white polo shirt and blue sweatshirt. Sweatshirts and polo shirts can be plain or have the school logo on them. Footwear should be either plain black shoes or plain black trainers. Clothing with the school logo on can be purchased at our online school shop, link to which can be found at <http://www.jameswolfe.greenwich.sch.uk/school-uniform/>.

### SENSIBLE HEADBANDS

We remind parents that headbands should be sensible, without cat ears, unicorn horns or the like. The only exception to this is on our Non-Uniform Days, which are usually held on the last day of each term.

### DANCE CLASSES

Angéline Jandolo and her team of young, friendly teachers run dance classes on Tuesdays and Saturdays here at James Wolfe, helping adults and children alike to discover the power and poise of dance. The staff of AJD have all performed at a professional level and teach classes both to those students wishing to progress through the IDTA ballet exam syllabus and to those simply dancing for pleasure.

They also give numerous tap, contemporary jazz and street dance classes, all taught to exam-board standards, in an environment where students always feel comfortable to express themselves freely in class without fear of judgment.

For more information or to book a taster please visit <http://www.angelinajandolodance.com>.

### GDPR SIGN-UP

The school office regularly hears from parents/carers who are not subscribed to the Weekly Wolfe mailing list and so are not up-to-date with school information. Due to GDPR regulations, any parent/carer who has not given specific permission for us to use their email address to circulate school notices (including the Weekly Wolfe) will not receive them. If you are reading this on our website or are aware of anyone who is missing out, please use/forward them our sign-up form at <http://eepurl.com/duVNNr>.

### EXERCISE CLASSES

Have you tried ((BOUNCE))™ yet? It's more than just an exercise class, it's a community! Whether it's motivating and supporting each other in class, or just looking around and sharing a smile, ((BOUNCE))™ brings people together.

Bouncefitbody are running classes at James Wolfe (6:30pm on Monday & Wednesday evenings), with the main aim of making fitness fun and more accessible for everyone! Plus, there's a discount for James Wolfe staff and parents.

((BOUNCE))™ is a trampoline-based, hour-long exercise class of choreographed dance routines to burn calories fast, that finishes with fifteen minutes of toning.

Routines are performed to banging tunes in a welcoming and motivating environment; they encourage a social space where you can make friends, alongside their inclusive FUN! FRIENDLY! FIERCE! nightclub vibe. Sessions are programmed to achieve rapid weight loss by burning up to seven hundred calories per class (that's the equivalent of a bottle of prosecco!), whilst having fun... that's what trampolines were made for!. There are beginners in every class, so don't worry about feeling self-conscious, you'll see everyone bouncing at their own pace. It usually takes two or three sessions to get used to all the bouncing and recognise the moves, so stick with it... but be warned, it's addictive!
