my

A line drawing of a person's upper body. The person is facing forward and has their right hand raised to their chest, with the index finger pointing towards their heart. The entire card is framed by a decorative border of small, colorful hands in various colors (red, orange, yellow, green, blue, purple) arranged in a repeating pattern.

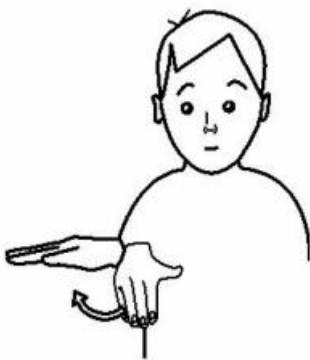

see

A line drawing of a person's head and shoulders. The person is looking forward and has their right hand raised to their eye, with the index finger pointing towards the eye. The entire card is framed by a decorative border of small, colorful hands in various colors (red, orange, yellow, green, blue, purple) arranged in a repeating pattern.

on

A line drawing showing two hands. The top hand is held flat with the palm facing down. The bottom hand is held with the palm facing up, and its fingers are resting on the palm of the top hand. The entire card is framed by a decorative border of small, colorful hands in various colors (red, orange, yellow, green, blue, purple) arranged in a repeating pattern.

away

A line drawing of a person's head and shoulders. The person is looking forward and has their right hand extended outwards, with the index finger pointing away from their body. The entire card is framed by a decorative border of small, colorful hands in various colors (red, orange, yellow, green, blue, purple) arranged in a repeating pattern.

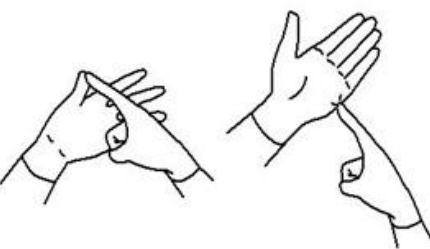

mum

A simple line drawing of a person's head and shoulders. The person is looking forward and has their right hand raised to their forehead, with fingers spread, as if shading their eyes from the sun.

it

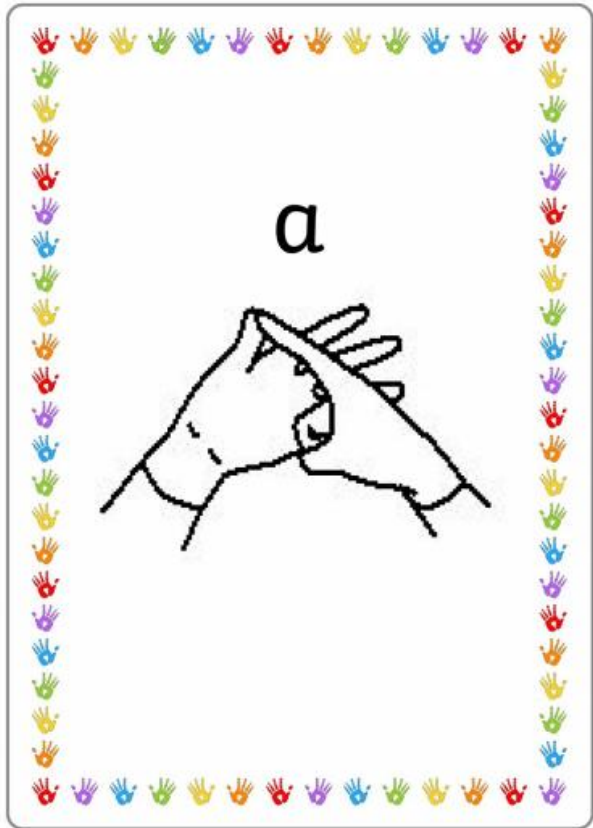

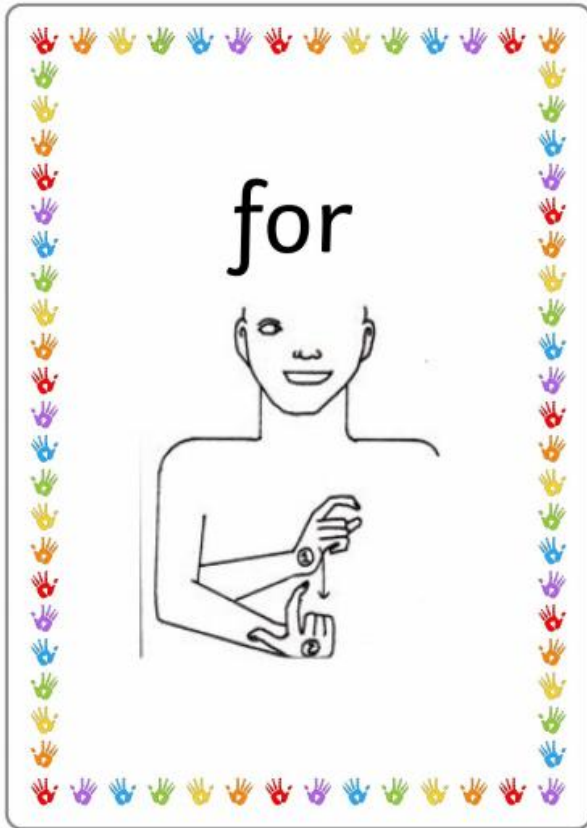

A simple line drawing of an arm and hand. The arm is bent at the elbow, and the hand is pointing towards the right side of the frame.

at

Two simple line drawings of hands. The hand on the left is pointing its index finger towards the hand on the right. The hand on the right is held palm-up with fingers slightly spread.

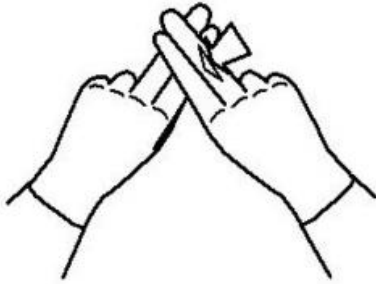

play

A simple line drawing of a person's head and shoulders. The person is smiling and holding two rings, one in each hand, with their fingers spread.

am

all

A line drawing of a person from the chest up, facing forward. Their right hand is held palm up with fingers slightly curled, and their left hand is held palm down with fingers pointing down. A curved arrow points from the right hand towards the left hand, indicating the movement of the sign.

is

A line drawing of a right hand in a specific signing position. The palm is facing left, and the fingers are slightly curled. A straight arrow points downwards from the tip of the index finger, indicating the downward movement of the sign.

cat

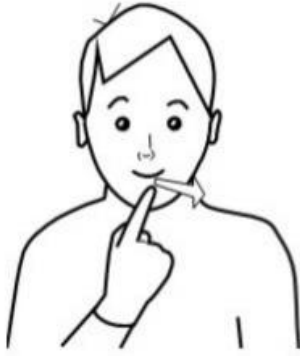

A line drawing of a person from the chest up, facing forward. Both hands are held up near the face, with fingers spread and palms facing each other, representing the sign for 'cat'.

get

A line drawing of two people from the chest up. The person on the left is signing 'get' with their hands held together in front of them, palms facing each other. The person on the right is also signing 'get' with their hands held together near their face, palms facing each other.
