At James Wolfe, we are constantly striving to further enrich the opportunities and experiences for our pupils -- this may include playground improvements, extracurricular activities, development of indoor spaces (e.g. libraries), special provision, inspirational visitors and experiences. If you would like to make a contribution to our fundraising efforts, please go to our Go Fund Me page at <https://aofund.me/3f7ee947>. We will share updates on how we spend these donations in The Wolfe. Thank you for your contributions.

Welcome to The Wolfe!

I cannot believe that we are over half-way through the academic year already and so much amazing work has taken place, with so much more to come! It feels like a lifetime ago that Ofsted visited our school and completed an ungraded inspection. The school shone throughout the two days and I felt extremely PROUD to be the headteacher of such a fantastic school. The inspectors noted the positive relationships between staff and pupils, the richness of our bespoke curriculum and the fantastic personal development opportunities, including trips, extra-curricular activities and leadership positions. When asked to describe the school in one word, one child said "perfect". The report will be available on our website tomorrow.

We have signed up to Studybugs which supports both parents and the school in reporting and improving attendance. You will notice messages ping up on your phone informing you of various attendance measures. Visiting classes, looking at books and speaking to children reminds me how much the children really do progress each academic year and how important it is that a child is in school every day. Thank you for continuing to support your child in getting to school every day. You can find more information later in this newsletter.

Our Friends of James Wolfe are amazing and desperately need new volunteers. We need your help and voice! They organise amazing community events, as well as raising a considerable amount of money for the school – for example, funding us to become an OPAL school. Without this, many initiatives would not be able to take place. As I said in my email before, you can volunteer in whatever capacity works for you, utilising your skill set. We are currently looking for volunteers to support our Spring Disco, donations of Easter Eggs for our Egg tombola (from creme eggs to super sized eggs) and baked goods for our Bake Sale. If you are interested in volunteering, please do email friendsofJWS@gmail.com or come to our Coffee Morning tomorrow at Randall Place.

At the end of this term we will be saying goodbye to Mrs Griffin and Ms Begum. Mrs Griffin is moving to be closer to family and has secured an Assistant Headship. Ms Begum will be moving on to work with a d/Deaf organisation which supports d/Deaf communities in London. I am sure you will join me in wishing them both the very best.

Many thanks for your positive well wishes. Mrs Raithby and I are working hard together, preparing for the Summer term and plans for the next academic year.

I look forward to seeing everyone's costumes tomorrow for World Book Day. I hope you enjoy reading this newsletter!
