Dear Parents,

Trip Payments 2021 2022

This year, as previously, we will collect a sole contribution from parents for school trips and other school activities, including visitors to school and cooking ingredients, as a single amount of £20. This is instead of asking for contributions throughout the year for individual activities.

This will provide for the following activities in each year group:

- Two local trips (trips/visits in the Greenwich area).
- One trip further than Greenwich (e.g. to a London museum or to the beach).
- One visitor to school (e.g. a scientist or an author).

It will also cover the cost of cooking ingredients and construction materials for DT.

It will not cover the following, which will continue to be charged on an individual basis:

- Tickets for theatre shows.
- Adventurous activity trips in Year 6.
- Residential trips.
- Peripatetic music trips.

We have put a charge of £20 per child on their online Pupil Asset account (login via <http://parents.pupilasset.com/>). We ask that this charge is paid by Friday 10th December.

We can only run these important extra events if we have the funds to cover them. If you would like to discuss this charge or alternative payment arrangements, please contact the school office.

Yours sincerely,
